Tudor Grange Academy Samworth

Accessibility Plan

Here at Tudor Grange Academy Samworth, we are committed to providing an environment that enables full curriculum access that values and includes all stakeholders, regardless of their needs, without discrimination. We take full regard of the Equality Act 2010 with regard to disability and to developing a culture of inclusion and support within the Academy.

The accessibility plan contains actions to:

- increase the extent to which disabled pupils can participate in the school's **curriculum**
- improve the **physical environment** of the school for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and benefits, facilities or services provided or offered by the school
- improve the delivery to disabled pupils of **information** which is readily accessible to pupils who are not disabled.

The accessibility plan should be read in conjunction with the Academy's SEND Policy and the SEN Information Report. The policy complies with our funding agreement and articles of association.
