Year 3: United Kingdom

Map of the United Kingdom

The population of the United Kingdom is 67,886,004 as of 2020.

Each country has its own capital city.

Can you spot them on the map?

The United Kingdom is a coastal area. This means it is surrounded by water.

The English Channel is South of the UK.

The Irish Sea and the Atlantic Ocean is West of the UK.

The North Sea is to the East of the UK.

Physical Geography

England can be divided into different counties.

One of these counties is Leicestershire which is famous for:
